

M18

SYSTEM TOTAL: \$12,995*

SYSTEM SPECIFICATIONS

Zoom:	3 - 21x
Lock Range:	800 Yards
Target Velocity:	20 MPH
Calculated Target Lock Time:	.5 second
Tracking Precision:	0.047 Minutes of Angle (MOA, .25 inches @ .3 miles)
Ranging Capability:	Integrated Laser Range Finder for targets at 800 yards
RapidLok™ Trigger System:	Proprietary trigger system ensures accuracy by acquiring, tracking and locking on ranged targets
Operating Time:	3.5 Hours
Batteries:	Dual Lithium Ion Batteries
WiFi:	802.11G
Weather Resistant:	IP67 Splash, Water & Dust Resistant

Compatible With:	ShotView™, ShotGlass™, Night Vision, Thermal Attachments and Suppressors
Ammunition:	TP 7.62 NATO 175 gr OTM TP 7.62 NATO 168 gr TSX
Receivers:	Slick Sided 7075 Billet Aluminum
Barrel:	18" 416R - Stainless Steel 5/8" x 24 Threaded .30 cal Muzzle Brake
Twist Rate:	1:10
OAL:	39.25"
Handguard:	Midwest Industries™ M-Lok Full Length, Includes (3) 5-Slot M-Lok Rails
ButtStock:	TP Proprietary Power Enabled Adjustable Stock
Weight:	13 lbs

MODES

Suppressive Fire

Collects and holds real-time ballistics solution to systems maximum range. Trigger is live to reduce time to engagements.

Precision Targets

Calculates ballistic solution for stationary targets.

Precision Movers

Calculates firing solution for moving targets.

Auto-Acquire

User predesignates the tag on the target, allows for quick follow up shots to the same location.

Night Mode

For Gen-2, Gen-3, and Thermal attachments.

PACKAGE INCLUDES

- (1) 10-Round Magazine BLK
- (3) Batteries
- (1) Battery Charger
- (1) Eye Guard, Shuttered
- (1) Harris-S Model Bipod 6" w/ DLOC-Sand SARG Knobs
