

SHADOWTRAX3

SYSTEM TOTAL: \$9,995*

SYSTEM SPECIFICATIONS

Zoom:	3 - 21x	Weather Resistant:	IP67 Splash, Water & Dust Resistant
Lock Range:	1200 Yards	Compatible With:	ShotView™, ShotGlass™, Night Vision, Thermal Attachments and Suppressors
Target Velocity:	20 MPH		
Calculated Target Lock Time:	1 second		
Tracking Precision:	0.047 Minutes of Angle (MOA, .25 inches @ .3 miles)	Ammunition:	TP 300 WM220gr OTM TP 300 WM 190gr LRX
Ranging Capability:	Integrated Laser Range Finder for targets at 1200 yards	Action:	Stiller, Stainless Steel
RapidLok™ Trigger System:	Proprietary trigger system ensures accuracy by acquiring, tracking and locking on ranged targets	Chassis:	Proprietary Chassis
Operating Time:	3.5 Hours	Barrel:	Shilen, 22" 416R - Stainless Steel Shilen, 6 Groove 5/8" x 24 Threaded
Batteries:	Dual Lithium Ion Batteries	Twist Rate:	1:10
WiFi:	802.11G	ButtStock:	TP Proprietary Power Enabled Adjustable Stock
		Weight:	14.65 lbs
		OAL:	45"

MODES

Precision Targets

Calculates ballistic solution for stationary targets.

Precision Movers

Calculates firing solution for moving targets.

Auto-Acquire

User predesignates the tag on the target, allows for quick follow up shots to the same location.

Suppressive Fire

Collects and holds real-time ballistics solution to systems maximum range. Trigger is live to reduce time to engagements.

Night Mode

For Gen-2, Gen-3, and Thermal attachments.
